

The background image shows a man in a light blue dress shirt and a blue tie. He is holding a small, stylized green globe in his right hand. Surrounding the globe are numerous hand-drawn icons. On the left side, there are icons for sustainable practices: a lightbulb with a leaf inside, a green car, a leaf with a plug, a wind turbine, a solar panel, a sun, a watering can, a bicycle, and a house with a leaf. On the right side, there are icons for unsustainable practices: oil barrels, an oil rig, a gas pump, a car, a factory with smoke, a train, a house with smoke, and a leaf with a plug. The globe itself is a mix of green and brown, representing the Earth.
